All,

A call tomorrow would be useful. We should discuss June 16th meeting (I am planning to bring Jeff). Tomorrow, we could go through the list Bruce is going to generate and either address the issues or plan in –person discussions on the subjects.

I am free all day tomorrow for a discussion.

Michael

Paul, Michael, Tom and Marc -

We had talked about a conference call later this week to discuss the logistics of the June 16 meeting. I think there are several items that we need to discuss - some to close the loop on discussions we had on June 2 as well as some new issues. Any time work better than others to have such a call?

Regardless if we have a call, I'll prepare a list of issues/concerns that I think we need to discuss on Monday, June 16 and distribute.

Let me know your thoughts, please.

Bruce

Marc and Bruce,

What is the ownership path that Kalamazoo County has decided for abandoned properities? Do abandoned properties go to the state? Or to the county?

Thanks

Good Morning All -

Good meeting yesterday. I know it was a bit long and maybe it didn't seem to be as productive as other meetings, but we covered a great deal of important topics and ideas.

I've made an attempt to capture what we discussed regarding legal concerns and issues yesterday. Let me know what you think. Some of the issues I didn't word very well so any and all help is appreciated.

We need to set up a date and time for a conference call next week as well. Any suggestions?

Thanks.

Bruce
